

Words from the President

It's Spring!!!! A time for growth, change, hope, and renewal. And this year, Habitat for Humanity of Wisconsin River Area is certainly participating in all of the above. We have a new Executive Director, Morgan Pfaff, we are ramping up our critical repair program, and our ReStores are bursting with new and exciting merchandise. We recently welcomed a new home owner into the "Habitat family", and are looking forward to starting on our next build.

By the time you read this, we will also have a new Board President. My term is coming to an end, and Marcia Brown (no relation) will be assuming the role. Marcia brings energy, organization, faith, and vision to this role, and will do an amazing job. I am excited by the energy that I feel within our affiliate, and could not imagine not being a part of it, so I will be taking on the role of Secretary for the Board of Directors, and hope to have time to get involved in other ways too.

From L-R, Marcia Brown, Barb Brown

It's an exciting time at our affiliate, and I hope you will consider joining us, whether it be through volunteering (in the constructions area, ReStores, or within the affiliate office), financial support, or helping to spread the word about the wonderful work that we do. I look forward to seeing some other sides of Habitat, and hope to see you there, too.

Habitat Board of Directors

Executive Board

Marcia Brown
Jesse Stevens
Denise Schyvinch
Barbara Brown

Board Members

Carl Alexander
Robert Ginther
Curt Hossman
Bruce Koch
Lori Olson-Pink
Basia Rompa
William Schleichert
Lila Waldman
Tom Williams
John Ziehr

Our Habitat ReStores debuted a new customer rewards program this month. It's free to sign up, and customers gain points for every dollar spent at the ReStore. Card holders also get a free gift card on their birthday. Talk to a manager at either ReStore location to sign up today!

Habitat Repairs Homes Too!

Habitat offers affordable home repairs in Columbia, Sauk & Iowa counties.

Repayment plans are available to qualifying home owners through zero interest home repair loans up to \$5,000.

Repairs are available to help with:

- Accessibility Modifications for seniors and disabled persons to safely remain in their homes (such as installation of grab bars or wheelchair ramps),
- Critical Repairs (such as minor plumbing fixes or replacing water-damaged insulation & drywall), and
- Home Preservation (such as window and door replacement or repairs to damaged siding and trim).

**Help revitalize our neighborhoods
Sponsorship opportunities available!**

Habitat Home Dedication

Andrea and her children are now the proud owners of a beautiful new home thanks to all who donated time, products & funds to make their dream a reality.

November build day

March celebration!

Announcing Our Next Habitat Family!

Please welcome Trever & his buddy Jack to the Habitat homeownership program. We were so impressed by Trever's hard work and ingenuity in continuing to enjoy his favorite activities – hunting and fishing – using his motorized scooter... and even more impressed by his commitment to his community. Trever has learned to drive his van using hand controls so he can get to his job everyday at the Boys & Girls Club of West Central WI.

We're excited to break ground soon on his future Habitat home in Lake Delton, which will include accessible features that allow Trever to enjoy his independence in a great community.

If you'd like to join us in building Trever's future home, please contact us at (608) 448-2888 or office@hfhwisconsinriver.org to get signed up for a volunteer build day!
