

# Habitat for Humanity®

of Wisconsin River Area

Summer/Fall 2017

## **We are thankful for...YOU!**

You allow us to build homes, run two ReStores, and strengthen our local communities.

**Whether you volunteer, donate, or both—you're helping your local Habitat for Humanity.**

Because of your support and generosity, we're building a Habitat home this fall. Meet our partner family, Amelia! She is the mother of Dominic, age 5, and Serenity, age 2.

**Get them in by Christmas!**

**Use the enclosed envelope to contribute.**

In September, the five USDA Self-Help families in Baraboo moved into their new homes. These homes were completed with the support of more than 100 volunteers and more than 1,000 hours of volunteer labor!

And the five USDA Self-Help homes in Reedsburg are off to a great start. These homes will infuse almost \$720 thousand into the local economy through project related expenses, use of local contractors, and purchases from local retailers.

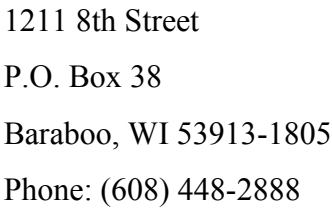

## **CHILI COOK OFF FOR CONSTRUCTION**

Join us this winter for our first annual Chili Cook off for Construction! We will host one in each of the three counties we serve: Sauk, Columbia, and Iowa. Come to one or come to all! Love your chili recipe? Bring a pot for a chance to win a \$100 or \$50 gift card to the ReStore! Register or RSVP by emailing [vista@hfhwisconsinriver.org](mailto:vista@hfhwisconsinriver.org) or visit [www.hfhwisconsinriver.org](http://www.hfhwisconsinriver.org). See the Calendar of Events on back for dates and locations.
